IHCP updates Preferred Diabetes Supply List

The Indiana Health Coverage Programs (IHCP) announces it will update the Preferred Diabetes Supply List (PDSL), effective for dates of service (DOS) on or after March 1, 2021.

The Indiana Family and Social Services Administration (FSSA) selected Abbott Diabetes Care, Roche Diabetes Care, and Trividia Health as preferred vendors for diabetes supplies for the IHCP, effective January 1, 2017 (see *IHCP Bulletin* [BT201684](#)).

The PDSL was created to identify the blood glucose monitors and diabetes test strips preferred for all IHCP programs, subject to limitations established for certain benefit packages. Updates to the PDSL are published periodically.

Trividia Health has informed the IHCP it will be cobranding blood glucose meters and blood glucose test strips with Walmart, Inc. These meters and strips are otherwise equivalent to Trividia meters and strips currently listed on the PDSL.

For this reason, the IHCP is adding ReliOn Rx TMX Blood Glucose Meter and ReliOn Rx TMX strips to the PDSL, effective for claims with DOS on or after March 1, 2021.
